"I am the vine, you are the branches" John 15:5

Volume 70

OCTOBER 2025

Number 54

October as a time of transition.

These are among many thoughts that have come with the seasons changes.

Hearts desires...being transitioned by HIS perfect work in me...

T– Thankful to you Lord for all you have brought me through this year and the way you have strengthened me

R– Recognizing anew; you as Lord of my life, as Savior of my soul, as my Guide for daily living

A- Altogether ready to serve you better

N– Nothing between my soul and you my Savior...completely surrendered to your will...may this be how you find me, Lord

S– Songs in my heart for your praise and adoration

I- Investment in others so that souls may be won to you

T– Tough on me...Easy on others. Find me faithful and forgiving

I– Interested, Fascinated, and Studious of your word...hiding it in my heart...Oh let this be true of me!

O - Offering every blessing as a sacrifice of praise to you...you amaze me

N - Nearer to you than ever before, bound to pleasing you by love
